Nau mai, haere mai to North. Supertonic are delighted to share with you this beautiful programme celebrating the joy of finding yourself, finding your way and moving forward. This programme is in part a response to the volatile nature of events across the globe in the past few years, and indeed our rehearsal period has been very influenced by the presence of COVID-19 in our communities. We have rehearsed online, in small groups, all together in large spaces, and everything in between. Our programme this evening invites questions about who we are and where we're going. In coming together in song we find hope amidst uncertainty, and we invite you to journey with us this evening as we seek our North.

## **Musical Director: Virginie Pacheco**

Virginie began her musical training in France, where she graduated with Honors from the University of Nancy with a Bachelor in Musicology. After completing diplomas in Recorder and music theory, Virginie settled in Montreal to pursue her Masters in Conducting at the Université de Sherbrooke. She quickly became an acclaimed emerging conductor, winning the Iwan Edwards award in 2015. She has participated in masterclasses throughout the world, and in 2017 spent a summer residency with the Ontario Youth Choir.

## **Accompanist: Matthew Oliver**
